Case No. MP-91-35

By motion filed December 13, 1991, Green's Multi Services, Inc. (Green's), asks the Commission to waive the seven-day notice period for a tariff to become effective. On December 13, 1991, Green's filed its Contract Tariff No. CT-2, an agreement with the United States General Accounting Office (GAO). The agreement provides for the operation of a 25-passenger vehicle in shuttle service between the GAO Building, 441 G Street, N.W., and Techworld, 901 - 8th Street, N.W., Washington, DC. The shuttle will operate between 6 a.m. and 6 p.m., Monday through Friday, except government holidays, for a period of two months beginning December 16, 1991. The motion states that the purchase order was delivered to Green's on December 12, 1991.

For good cause shown, the motion of Green's Multi Services, Inc., will be granted, and its Contract Tariff No. CT-2 is accepted for filing to become effective Monday, December 16, 1991.

IT IS SO ORDERED.
